

COFFEE IN A CARDBOARD BOX... ARE YOU CRAZY?

What is it for?

- ❖ A simple, ready to go coffee for meetings, large parties, picnics, etc. The same great coffee that we serve in-house.

How big is it and does it keep the coffee hot?

- ❖ We have 2 sizes, 1 gallon and 3 gallon. The boxes will keep the coffee hot for 2-3 hours (longer for the larger box). We tested it!

What to do with the container when done with it?

- ❖ Don't need to return the container. Just recycle it! No need to come back in, except for your next order!
